Maxine,

I can make the files available. Note you have the files from Exhibit 14. Amy, can you please verify I'm allowed to release these additional files from Ameren to Maxine?

Thanks,

Andy

Subject: Ameren documents/data submitted to EPA for Labadie SO2 designation

Andy,

Ameren's comments and exhibits regarding the Labadie SO2 designation were uploaded today to the docket at regulations.gov (ID: EPA-HQ-OAR-2014-0464-0326), but several exhibits are not accessible to the public. I have been able to get most of them from OAQPS, but they do not have the information submitted as Exhibits 12, 13, and 14, which were apparently provided by Ameren to EPA and DNR through a secure, password-protected ftp site. Attached is the information uploaded to the docket regarding these Exhibits.

Can EPA make the information submitted to EPA by Ameren as Exhibits 12, 13, and 14 available to us? Perhaps you can upload it to your ftp site and we can download it?

Thanks in advance for your assistance.

Maxine
